Free Invisalign Consultation Offer

Eligibility

This offer is available to the first 50 individuals who book a free Invisalign consultation through our designated promotion platform. This offer is open to all individuals aged 18 and over.

Offer Details

The consultation is free of charge and includes an initial assessment to discuss Invisalign treatment options. The consultation must be attended in person or as per the conditions specified by the practice. The free consultation does not guarantee the acceptance of the individual for Invisalign treatment. Any further treatment or additional services are not included in this offer and will be subject to standard fees.

This offer is subject to change or cancellation at any time without prior notice. The offer is valid for a limited time and may be withdrawn or modified at the discretion of the practice.

The consultation provided is an initial assessment, and any subsequent treatment or advice will be based on an individual's unique needs. Treatment plans, recommendations, pricing, and any out of pocket expense are discussed with the individual before starting treatment.

The free consultation does not obligate the individual to proceed with Invisalign treatment. Any future decisions regarding treatment are at the individual's discretion and are subject to further professional evaluation.

This offer is non-transferable and cannot be redeemed for cash or other forms of compensation.

Free Boutique Whitening Offer

Eligibility

This offer is available to any individual who completes their Invisalign treatment at ClearBraces4U. This offer is open to all individuals aged 18 and over.
